Vegetable
Fermentation
Skillshare
2pm - 4pm

Wrinkly vegetables in your fridge?
Or a glut of courgettes that you don't
know what to do with? Come along to
this practical session in which we will try
some fermentation recipes for transforming
leftover veg into tasty and tangy snacks!
This session is being hosted by **Replenish**,
which supports Oxfordshire residents to
grow and cook nutritious food with zero
waste, with the support of volunteers.

Please note that this is a skillshare, not
a workshop - we are not fermentation
"experts" but have experience of doing it at
home and are keen to share our skills and
learn from you, too! If you have any clean
kilner jars at home (1 litre is ideal), please
bring a couple along.
Only 8 spaces are available so booking
is essential via:

Our Harvest Festival (and fermentation skill share workshop) is back!

Sunday 19th September 2021

12 noon - 5pm

During the day there will be Pizza's from the Pizza Midwife (available from 12 noon till sold out!), music from Cornerstone's DJ Baps (our Company Secretary), popcorn cooked over open fire and art sessions from Groovy Su where kids will create magic from waste materials!

We are delighted to be working again with Replenish on the **Skill share: vegetable fermentation**. If you've got wrinkly vegetables lurking in your fridge, or a glut of courgettes from your garden that you don't know what to do with, come along to this practical session in which we will try some fermentation recipes for transforming leftover veg into tasty and tangy snacks! Please note that this is a skill share, not a workshop - we are not fermentation "experts" as such but have experience of doing it at home and are keen to share our skills and learn from you, too! Only 8 spaces available so [booking](#) is essential

We will have a table set up for produce exchange. Please bring your spare plants, seeds, preserves, garden bits and bobs etc. Anything left at the end of the day will be donated to a local charity.

The outdoor kitchen will be set up for drinks and snacks. Donations for these can now be paid by card which is really exciting!

Singing and Sharing

We submitted a bid a few weeks ago to the National Lottery's Community Fund and have been successful. During the week starting Monday 4th October we will start our Singing and Sharing project. The aim if this project is to help improve the wellbeing of members of our local community who have felt lonely or isolated to come to the garden to sing and share. The sharing aspect is optional and may include sharing songs from your families history, sharing

ideas about new songs, sharing experiences and sharing friendship and conversation.

The project will run for two hours each week, for eight weeks. You don't have to commit every week - just come to as many sessions as you can. Singing will be the main focus of each session and there will be time at each session for you to enjoy being in the garden with nature. At some sessions the fire pit will be lit. We will provide refreshments at each session. To celebrate the project and what the group has achieved the garden will ask the group to record or film a song that can be put on the garden's website as a legacy of the project.

If you'd like to find out more (including which day of the week the project will be running) or to book a place, please contact [us](#).

You are warmly invited to attend our:

It's that time of year.....
Our 2021 AGM!

Are you interested in finding out in more detail how the garden operates? Want to find out what we have planned for the coming year? Would you like to meet the Trustees? If so, you are warmly invited to join us for our AGM on Sunday 17th October at 10am. The meeting will be held in the garden, but if you'd like to attend via Zoom you can do. Drop Hannah an email and she will send you the link. The meeting will take about an hour. Refreshments will be available.

Dates for your diary

- Sunday 7th November - **Festival of Fire and Light**
- Sunday 28th November - **Wreath Making**

Details on both events will be in the next newsletter.

Take care and best wishes,
