

# *Barracks Lane*

# *Community Garden*

The trustees are delighted to be able to open the gates and welcome you back into garden for our first...

# **SOCIALLY DISTANCED** **PLANT SWAP**

**Sunday 21<sup>st</sup> June 2020 12noon – 4pm**

Bring your spare seedlings to donate.

Take away new seedlings to grow at home.

Meet friends, old and new.  
Get advice on growing veg.  
Enjoy fresh air and exercise!

No refreshments on sale, so bring a picnic and eat in the garden (groups of 6 or less).  
Please take your rubbish home with you.  
Alcohol is not allowed in the garden.

One way system in operation.  
Masks & gloves encouraged.  
Please respect 2m distancing.  
See how BLCG has thrived!

## **Socially Distanced Plant Swap**

The garden will be open from 12 noon - 4pm on Sunday 21st June 2020.

We will be operating a one-way system round the garden. There will be separate tables to drop-off and take away plants with the trustees on hand to ensure that the 2m rule is followed.

Unfortunately we will not be opening the outside kitchen so we won't be offering any refreshments. Please feel free to bring your own drinks (alcohol not allowed) and snacks as long as you take all your rubbish home.

We hope to see you there and we can't think of a better way to spend Father's Day!

## **Hire the garden for small groups**

The government's guidelines are changing on a regular basis as the situation with Covid-19 seems to be improving. We were delighted to hear the updated guidance on groups of up to six people being able to meet up outside.

In response we are able to offer the garden for hire for small groups. We need to be mindful of health and safety of all involved in the garden so things aren't quite the same as before. We have drawn up some guidelines that need to be adhered to if you would like to make a booking. The guidelines will be updated as and when government rules change. You can find the guidelines in the link in point 4 on this [page](#) or email [barrackslanegarden@yahoo.co.uk](mailto:barrackslanegarden@yahoo.co.uk)

### *Quick raised bed update*

As reported last month, with support from the Trust for Oxfordshire's Environment (TOE) with funding from Grundon Waste Management Ltd, we will be replacing the raised beds. The main bulk of the work will be done in September so we can plant the new plants in early October.

*Thank you Roger, Ruth and Dan*

The trustees would like to publicly thank Roger, Ruth and Dan for the voluntary work they have done in the garden over the past few months. Your help has been greatly appreciated, and without it we wouldn't be so proud re-opening the gates. THANK YOU x
