Delighted to invite you back!

A belated big thank you to those of you that attended our Socially Distanced Plant Swap back in June. It was great to open the garden, and meet old friends and new, in a revised normal way!

We are now pleased to let you know we are hosting a Harvest Gathering on Saturday 12th September 2020 12noon - 4pm. We'd love to see you and your spare harvest goodies, whether that is produce, plants or treats! To keep everyone safe we will have a one-way system in place, separate drop-off and take-away tables and will observe social distancing. We will have hand sanitisers available.

We aren't able to fully open the outdoor kitchen just yet, but we will be offering a small choice of individually wrapped cold drinks and treats. Donations for these please.

Gardening tips or seasonal recipes?

If you have any gardening tips or seasonal recipes that you'd like us to share before the event, please email barrackslanegarden@yahoo.co.uk and we can put them on our [Facebook](#) and [Instagram](#) pages.

Small bookings in the garden

The garden is able to take small bookings for up to six people from different households. If you'd like to book the garden please contact barrackslanegarden@yahoo.co.uk
